## Who can apply?

Any public or private organisation registered in the European Union and entities in countries associated with the LIFE programme.

## How to apply

Go to the European Commission's [funding & tender opportunities portal](#) where you will find information on LIFE Calls for proposals as well as further instructions on how to submit your application.

## We welcome projects that:

- Protect Europe's nature by halting and reversing biodiversity decline.
- Accelerate the clean energy transition through a greater uptake of energy efficiency and renewable energy solutions.
- Cut greenhouse gas emissions, increase climate change resilience and boost awareness of climate change mitigation.
- Enhance the circular economy through new technologies and solutions.
- Protect, restore and improve the environment and as a result, people's life quality.
