## ABOUT INNOVARUM

We are INNOVARUM ([www.innovarum.es](http://www.innovarum.es)) an innovation consultancy firm founded in 2013 and based in Madrid. We assist entities operating in the agri-food sector and the bioeconomy in shaping, writing, communicating, and managing their R&D and Innovation projects. We mainly work with start-ups, SMEs, large companies, Universities, Research and Technological Centres from across Europe. Currently, we take part in 8 EU projects. Our job is highly interesting, challenging, and creative!

## WHAT WE OFFER YOU

1. A competitive economic compensation for your services. Payments will be made according to the achievement of set milestones.
2. A professional multidisciplinary team ready to support you with their skills and expertise.
3. Enjoyable and comfortable work environment: flexible, collaborative, and agile!

## DESCRIPTION OF THE JOB

We are looking for an experienced freelance EU proposal writer ready to start working on a collaborative proposal this June. The proposals we work with focus on the agri-food sector, the bioeconomy & industrial innovation in the EU.

## REQUIREMENTS

1. Full English & Spanish command is MANDATORY (C2 / Native speaker), both oral and written.
2. Relevant experience in EU project proposal writing (H2020, BBI JU, collaborative projects...) with a relevant track record to present as example.
3. Technical University degree at Master level: preferably agricultural engineering or related.
4. Managerial skills: great organisation skills, result oriented, versatile, proactive, team player and competitive.
5. A person eager to get engaged with innovation, passionate about agri-food industry, who can work closely with clients, colleagues, and project partners, to meet tight deadlines.
